Sister Candida,
To grow is to change and
to have changed often is to
have grown much. Thanks for
helping to make this growth a
reality.

A journey
has a beginning
but not necessarily
an end.

It doesn't always
take you where
you had planned to go.

Places, ideas,
people, and events
alter each journey.

Beginning,
facing the alternatives,
the disappointments,
the altercations,
and even the pleasures
call for decision.

Decisions take courage.

To anyone
who has made a journey,
faced its decisions,
and met its adversities
we dedicate this book.

YESTERDAY

The hazy pictures of memories,
the warmth of joys and
aches of past sorrows.

Never quite accurate in memory
but always with the eyes of today.

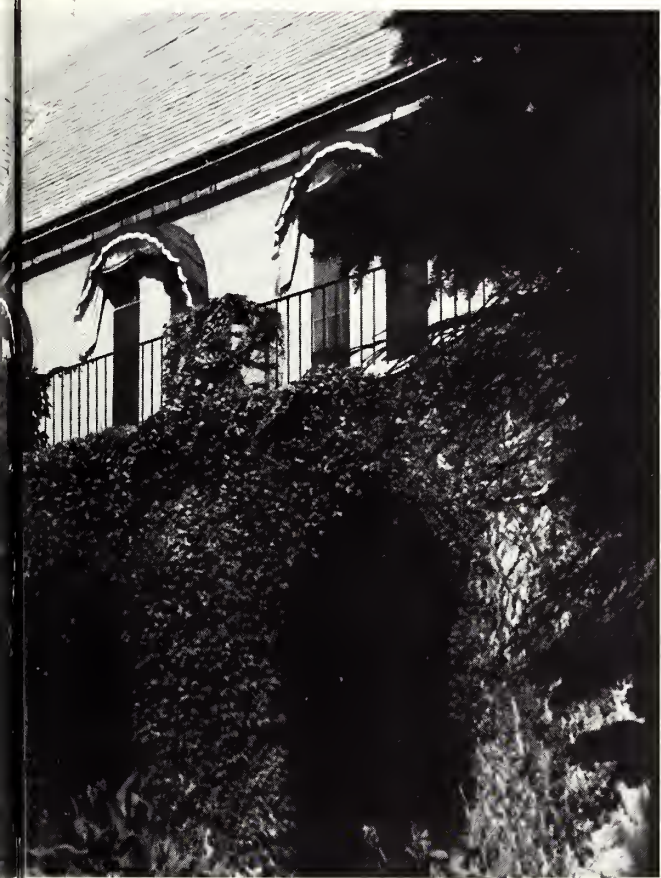

Strange —

Foreign to our thoughts until
we pause, realizing.

The past is a part of us, as we
are a part of the past.

Remember,
remember,
in levels of focus,
The journey through Yesterday.

A journey takes time.
 The old, the now and the future.
 All realities — memories
 experiences
 hopes
 supporting each other through the journey.

Today —
Yesterdays' tomorrows, tomorrow's yesterday
The point of end, the point of beginning
The continuity of our journey
A time to pause . . . reflect . . . live . . .
Enjoy

We've met many people on our way, in many places,
at strange times, in odd costume, in unique
positions, with familiar expressions. (On top
of, next to, among, between, together) always
on the move . . . journeying.

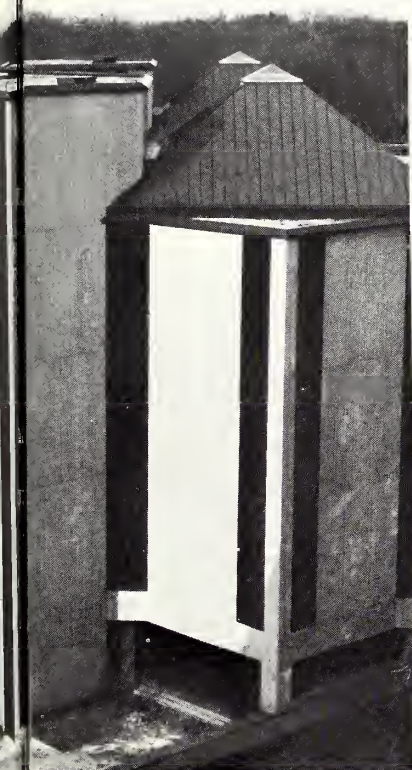

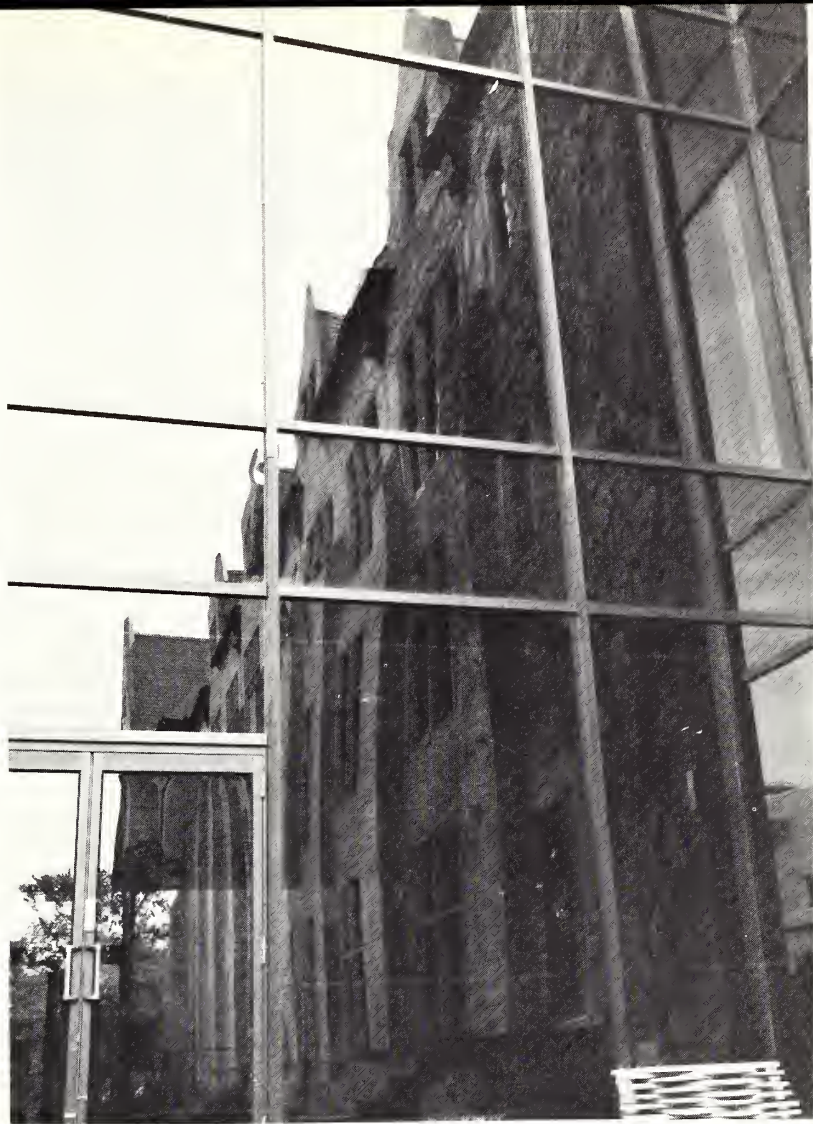

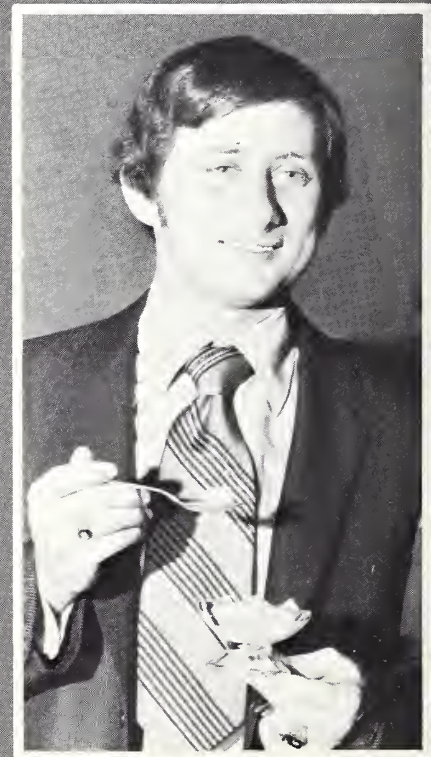

"The Ivy covered, Ivory Tower"
 The places in which we invested
 a very few years. We can return.
 The buildings remain.
 Our dreams go with us.

"eat, drink and be merry"
 ... Happy Birthdays ... pins and rings ...
 "SAGA special" again today — hamburger heroes.
 We love you SAGA

What a bite . . . Burger King, anyone?
 . . . shepherd's pie . . . goop boards . . .
 from Jimmy Hendricks to Howard . . .
 swapping stories . . . making plans
 time to talk

We do not know very much of the future
Except that from generation to generation
The same things happen again and again.
Men learn little from others' experience.
But in the life of one man, never
The same time returns. Sever
The cord, shed the scale. Only
The fool, fixed in his folly, may think
He can turn the wheel on which he turns.

T.S. Eliot

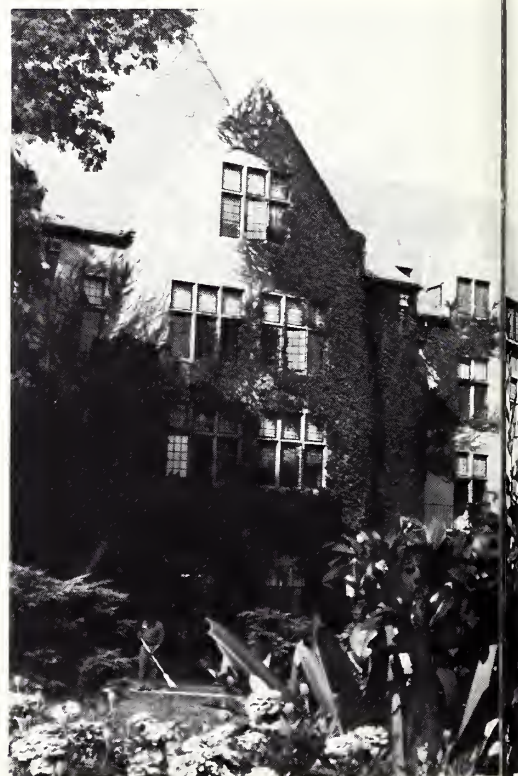

Controversy and Concern

*Time Out I . . . Time Out II
Curriculum Seminar
Workshops . . . Decisions . . . Change*

*These filled much of our time and
thoughts. So now, in parting, we know
we are leaving behind a different Rosary
than the one we found.*

A strange thing — to love and be loved.
It makes journeying easier . . .
Makes the bad times better . . .
And just plain **MAKES** the good times.

HALLOWEEN ANTICS

Here comes the circus ... Rise? Howard? ... Howard? Rise? ... Cinderella's entourage ... the great pumpkins ... and all the ghosts and goblins

Then remember Thatcher Woods ... our case of Schlitz (ssshhh!) ... "sin, sex and saga ... pumpkin carolling... Rosary bergeres ... "Go Rosary College, you sure are a swell school" ... BOO!

THE GOOD TIMES:

OKTOBERFEST MIXER ... Charity Ball (we try harder)
 ... week-end trips ... the Fighting Irish ... fribourgeois (?)
 ... frisbie ... football ... Mother's ... nickel beer ... it's
 good to be co-ed!

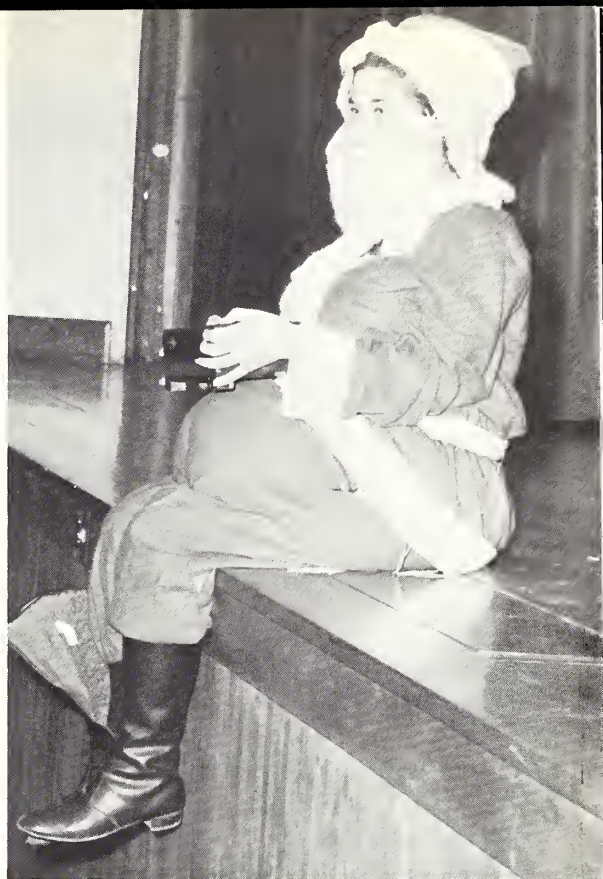

HERE COMES SANTA

Bicycle Built for Who?
Sneaky elves
Sagging Santa
The jury's "pew" — a fifth for bridge?
National guards guarding,
Are you sure that's only Anne???
God Bless Us (comma) Everyone.

watching,
 waiting . . . a moment of hesitation
 then
 a burst of loving laughter
 sharing gifts and smiles

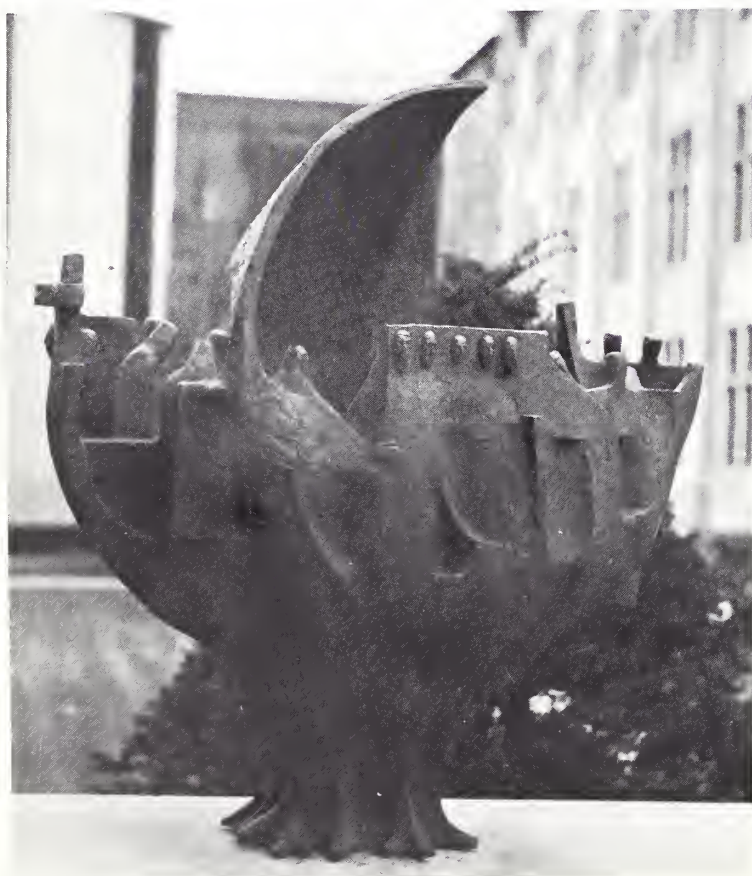

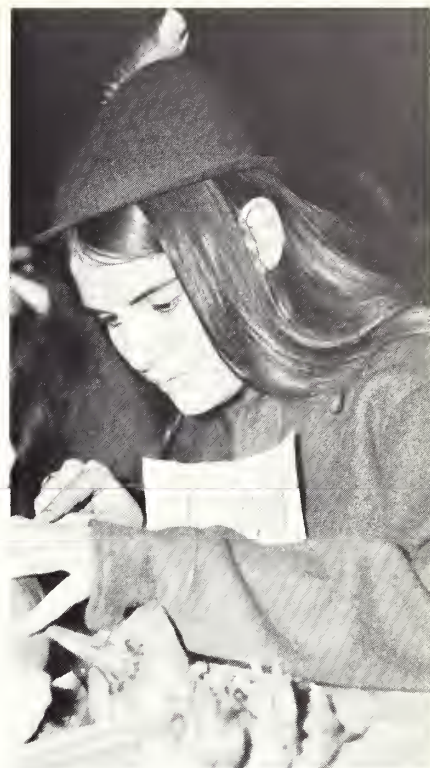

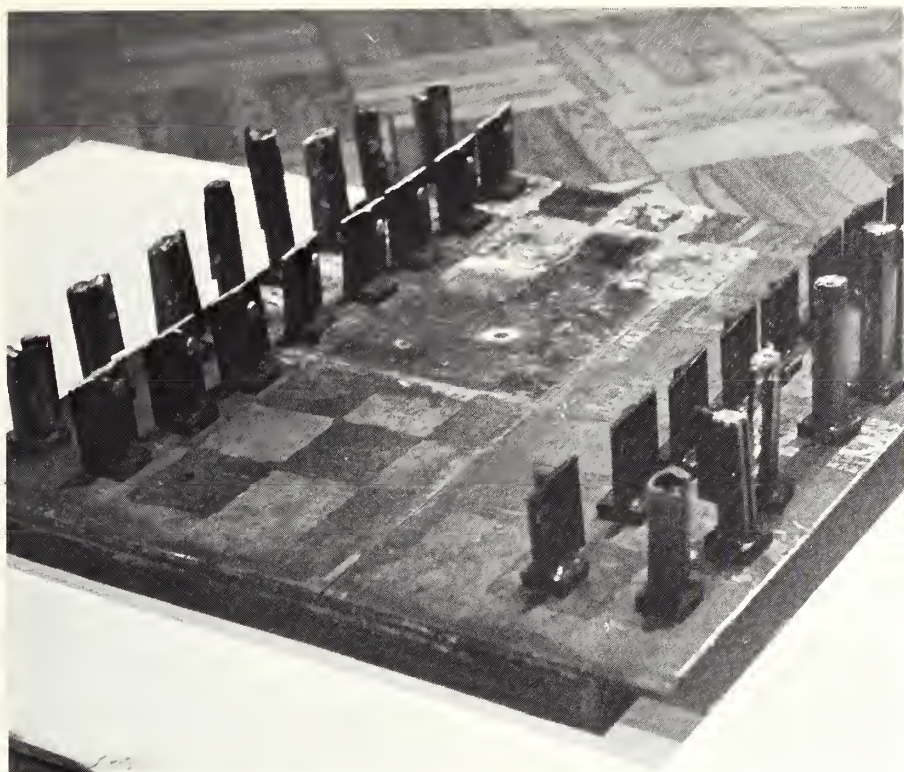

I didn't realize
All that was going on and we never noticed.
Take me back . . .
But first — Wait . . . One more look . . .
Good-bye to clocks ticking . . . And food and coffee.
And new-ironed dresses and hot baths . . .
and sleeping and waking up.
Oh, earth, you're too wonderful for anybody to realize you.
Do any human beings ever realize life while they live it —
every, every minute?

A SPECIAL THANK YOU
TO THOSE WHO HELPED US
ALONG THE WAY ...

A black and white photograph of a large, ivy-covered building, likely a school or church, with a prominent street lamp in the foreground. The lamp has a multi-paned glass top and a dark metal post. The building's facade is heavily textured with ivy, and several windows are visible, some with arched tops. The overall tone is nostalgic and appreciative.
